

FAMILIES AND KIDS

working together to equip and raise
God-connected children who grow in
faith, purpose and confidence

A place to relax, refuel and refresh

Mondays 9:15–10:30am

Bring your little ones and relax with other parents/carers whilst they play, refuel with hot drinks and cakes and refresh with time to chat, receive support and pray for one another.

parenting for faith®

We usually run the Parenting for Faith Course once a year, and often refer to the key tools they use within our gatherings on a Sunday and in Kids Club as well as running one off sessions focussing on particular topics.

working together to equip and raise
God-connected children who grow in
faith, purpose and confidence

*A place to grow in faith, purpose and
confidence*

If you are aged 3-11 then join us every 1st & 3rd
Sunday of the month in the AVA Primary School
library as we explore faith, discover what our
purpose is and grow in confidence in who we are in
Christ. All whilst having fun, playing games and
being creative!

*A place to grow deeper in faith, purpose
and confidence*

A half-termly gathering for 5-11 year olds to
meet and have fun together whilst going a
little bit deeper into exploring their faith,
discovering purpose and growing in
confidence in our identity in Christ.
